

How to Report GBV at Work

Workers have choices about how and when they report

There are two main ways to report:

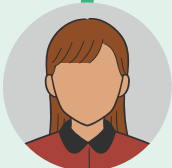

REPORTING INTERNALLY (with in the workplace)

Report to a
supervisor or
manager

Report to an
alternate or
designated contact

Report to an
ombudsperson
(if available)

Report
to Human
Resources (HR)

Report to an
ombudsperson
(if available)

REPORTING EXTERNALLY (outside the workplace)

Report through
your union
(if unionized)

Use an external or
independent
reporting option

Police or
emergency
services
